DokuWiki Popularity Info

This page shows the frequency and popularity of DokuWiki's installation components: DokuWiki versions, templates, web server types and more…

These are some of the data[1] collected by the Popularity Feedback plugin. Please resubmit your data from time to time to keep statistics up to date. Just log in as superuser, access the Admin screen and choose the "Popularity Feedback" option from the list. On the next screen hit the "Send Data" button. Or simply activate automatic data submission on the same page.

⚠ These statistics show data submitted within the last 365 days.
